## Residential Assessor

Public/Internal Opportunity

**Temporary (until March 31, 2026), Any Regional Office**

The Municipal Assessment Agency is required to provide municipalities with real property values (or assessments) in accordance with the terms and conditions of the province's Assessment Act, 2006. We are responsible for providing a fair and effective property assessment service to more than 235 municipalities within Newfoundland and Labrador.

**Location:** Any Regional Office (St. John's, NL, Gander, NL, and Corner Brook, NL)

### Why join the Municipal Assessment Agency?

The Municipal Assessment Agency is committed to providing employees with training and overall professional growth. Employees may be eligible for reimbursement for training that supports career advancement, including full certification in designated fields (subject to employment terms). We also offer a variety of flexible work arrangements, including options to work a compressed schedule to support work-life balance. Additionally, we provide comprehensive health benefits, leave benefits, travel cost reimbursements (as per NL Government policies), an employee & family assistance program, and challenging work.

### The Role

The Valuation Services Division of the Municipal Assessment Agency is currently seeking a **Residential Assessor**. The successful candidate will ensure accurate valuation of property and outstanding customer service to our clients located in any of our regional offices (St. John's, Gander, or Corner Brook).

### Key Responsibilities:

- Analyse market data and assign value to all properties in a portfolio of real property including, but not limited to, residential and undeveloped properties.
- Collaborate with field staff to set priorities and ensure timelines are met.
- Ensure the quality of the valuation and equity of assessment through application of accepted methods and performance of prescribed quality control functions (i.e. ratio studies, equalization process, etc.).
- Review property data and inspect properties in support of the appeal process.
- Represent the Agency at tribunal hearings and appear as a witness in Supreme Court to provide evidence for verification of data and valuation.
- Conduct market research on all real property in order to keep abreast of market trends within any region.
- Investigate property transactions to determine and verify consideration, influences on price, and qualification as an open market transaction.
- Provide opinions and estimates of condition, age, and functionality of improvements using a review of maps, deeds, and surveys. Determine and record ownership, boundary, dimensional, topographical, and location details.
- Verify legal descriptions of properties by comparing them to current assessment records.
- Confirm building codes and zoning by-laws in order to determine any effects on the property being appraised. Interview individuals familiar with the property as required.
- Provide valuation and consulting services outside the assessment function to municipalities in the form of letters of opinion or brief narrative work.

**Qualifications:**

- A diploma in appraisal/assessment or related field (equivalencies may be considered)
- Must possess one of the following accreditations/designations:
